Job offer

QSE Assistant M/F - Internship

Boulogne sur mer (62) FRANCE

Internship

SOCARENAM, a leading shipbuilding and repair yard in France, provides complete project management for all types of civil and military vessels up to 100 meters in length. 250 employees actively participate in the company's growth and guarantee the reactivity and flexibility necessary to carry out large-scale programs.

MISSIONS

The SOCARENAM Boulogne site is looking for a trainee for its Quality department for a period of 12 to 24 months, starting in September 2022.

You will have for main missions :

- Safety audit of the workshop;
- Animation of the prevention of risks on the field;
- Investigation and analysis of accidents;
- Participation in the renewal of the ISO 9001 certification;
- Monitoring of metrology;
- Creation and updating of QSE procedures;
- Follow-up of the periodic visits of machines and lifting equipment.

PROFILE

- You want to prepare a bachelor's or master's degree in the fields of Quality, Safety and Environment and you wish to join a work-study program.
- You are motivated, organized and rigorous, and you are willing to invest in the long term.
- The mission requires you to be in the field a lot, and the ability to adapt to an industrial environment is essential.
- The mastery of computer tools is necessary.
- A good knowledge of the naval field is a plus.
